Welcome

Welcome to our annual fall production sale, we continue to strive to meet our goal of providing you, our valued customers, with a reliable and predictable product. We take great pride in producing foals that meet our strict criteria, disposition, versatility, eye appeal, and proven bloodlines these are our priorities and always will be. That is the type of horse we enjoy and I am confident you will too.

We would like to sincerely thank all our customers for having confidence in our breeding program, and helping us promote and prove our product. Without your support we would not exist. Our horses have been very good to us, we have met a lot of interesting people and many have become lifelong friends and for that we are truly grateful.

This year's sale offspring is consistent with past years, there should be a foal that will fit whatever discipline you choose. A special thanks to our guest consigners KW Quarter Horses Kevin and Joan Williams, Darcy and Anna Moore. Also thanks to the Candiac Auction Mart and Brad Stenberg.

We sold this horse at our 1998 Production sale to Peter Anderson of Big Beaver, Sask. Where up until Feb. of 2006, he sired some foals and helped out with the work that needed to be done around the ranch. When I look at this horse, one word comes to mind, POWERFUL, he is stout, big and built to work. He is performance bred, with a good dose of speed on the dams side. He stamps his foals with size and style

He is an easy mover and a natural athlete; his foals are attractive enough to show and built to work. His pedigree is full of proven performance bloodlines.

This Stallion is a real athlete, we ride all our Stallions and this guy is no exception, he is a pleasure to work with, he has a huge stride, and is as smooth as they come. His foals look like they should be much the same.

JT Peps Gun Smoke (2006, 15.2 H.H, Red Roan Stallion)

		Master Remedy
Sire:	Pepinics Masters	Pepinic
Pepinics Smokin Gun		Smokin Jose
	Miss Lena Jose	Lena Doc Bar

Tribute to Our (Diamond K) Legends

Super Nice, Super Trader Bar, and The CW Special

The building blocks of our broodmare band is definitely Super Nice and Super Trader Bar, son of Super Nice. Their trademarks over the years have been disposition and producing the truly versatile individual. They have excelled in a variety of disciplines, the roping arena, as barrel horses, at breed shows and futurities, as 4-H projects, as ranch horses showing a ton of natural cow sense, and as dependable companions and family horses.

Although Super Nice and Super Trader Bar have passed, their genetics and attributes continue to live on.

The CW Special was a sire that we introduced several years ago, he turned out to be an exceptional cross with our ranch raised broodmares. He, like Super and Trader, produced outstanding individuals, with great minds and versatility. He had many futurity champions in halter and western pleasure, as well sired exceptional rope horses and ranch geldings, with no end to athletic ability and cow sense.

Special will be near impossible to replace, and greatly missed. His genetics will live on in our broodmares and stallions.
