Welcome

Welcome to our annual fall production sale, we continue to strive to meet our goal of providing you, our valued customers, with a reliable and predictable product. We take great pride in producing foals that meet our strict criteria, disposition, versatility, eye appeal, and proven bloodlines these are our priorities and always will be. That is the type of horse we enjoy and I am confident you will too.

We would like to sincerely thank all our customers for having confidence in our breeding program, and helping us promote and prove our product. Without your support we would not exist. Our horses have been very good to us, we have met a lot of interesting people and many have become lifelong friends and for that we are truly grateful.

This year's sale offspring is consistent with past years, there should be a foal that will fit whatever discipline you choose. A special thanks to our guest consigners Thunder Creek Quarter Horses Dean & Donna Bossence. Also thanks to the Candiac Auction Mart and Brad Stenberg.

Nominated to MRCHBA Ranch Horse Futurity Foals eligible

2010- Saskatchewan 50/50 Futurity Champion was Tallys Ghost Spirit a daughter of Tallymine and Traders Ghost Spirit. She was trained and shown by John King; owners are Don and Connie McGregor of Tuxford Sk.

CW Special Motion (1998, 15.3 H.H, Chestnut Stallion)

		Crimson Page

	Tardys Sodak Babe	Krog's Sue
		Jet Deck
Dam:	Jetting Jonny	Belinda Dial
Jetting Joann		Jo Douglas

We sold this horse at our 1998 Production sale to Peter Anderson of Big Beaver, Sask. Where up until Feb. of 2006, he sired some foals and helped out with the work that needed to be done around the ranch. When I look at this horse, one word comes to mind, POWERFUL, he is stout, big and built to work. He is performance bred, with a good dose of speed on the dams side. He stamps his foals with size and style

JT Genos Diamond Tee (2008, 15 H.H Sorrel Stallion)

		Two Eyed Jack
Sire:	Barry Blue Jack	Flamingo Barry
McArthurs Geno		Vaquero String
	Lady Geno	Geno Lo
		Majors Meyers
Dam:	MITO Major Force	MITOTTAFORCIT
Majors Black Diamond		Tee J ROJO Jack
	Diamonds Cherry	Diamonds Grand

The newest addition to our stud roster, "Bo" is a son of one of our legends McArthurs Geno. If this first foal crop is any indication on what the future will look like we are very excited for the years ahead. Bo is just like his dad kind, gentle and just a joy to be around, so if you are looking for your next ranch horse, rope horse or even show horse stop and take a look at what the "new guy" can offer. You will not be disappointed.

JT Special Sizzle (2002, 14.3 H.H Gray Stallion)

	Ez Laughing Sizz	Laughing Starlet

This Sire was a finalist at the 2005 Sask. 50/50 futurity. He is blue gray with tons of style, his disposition is outstanding, and he is a born people horse.

He is an easy mover and a natural athlete; his foals are attractive enough to show and built to work. His pedigree is full of proven performance bloodlines.

Dam:	Zans Tres Ches	Ches Tres
Jackies Kutie		Crimson Page
	Bar G Krimson Kari	Bar G Kutie

An own son of Super Trader Bar, and out of Jackies Kutie, who has a rock solid performance producing pedigree.

This Stallion is a real athlete, we ride all our Stallions and this guy is no exception, he is a pleasure to work with, he has a huge stride, and is as smooth as they come. His foals look like they should be much the same.

JT Peps Gun Smoke (2006, 15.2 H.H, Red Roan Stallion)

Master Remedy

	Pepinics Masters

Josan Bar Queen		Sonnys Leo Bar
	Josan McQueen	McQueens Leo

This young sire has size, style and his Red Roan colour does not hurt either. He has a sweet disposition; he just cannot wait to say hi. His foals are much the same, they are the first to come and greet you when you're out in the pasture and they make sure to catch your eye with their flashy style.

JT Dry Doc Hickory (2005, 14.2 H.H, Palomino Stallion)

		Solanos Peppy San
Sire:	Major League Salanos	Cuttin Trouble
Tallymine		Tally Man
	Tallys Lollipop	Rocky Lollipop
		Dry Doc
Dam:	Dry Doc 17	Triagle Dancer
Docs Cinnamon Gal		Poco Hickory Smoke
	Bear Cat Gal	Dreamie Kramer

This young sire is truly a pleasure to work with; he has a willing attitude and is extremely cowy. His pedigree indicates that he is bred to sit down, turn around and cut the hide right off a cow, attributes that are in demand in today's markets.

Tribute to Our (Diamond K) Legends

Super Nice, Super Trader Bar, and The CW Special

The building blocks of our broodmare band is definitely Super Nice and Super Trader Bar, son of Super Nice. Their trademarks over the years have been disposition and producing the truly versatile individual. They have excelled in a variety of disciplines, the roping arena, as barrel horses, at breed shows and futurities, as 4-H projects, as ranch horses showing a ton of natural cow sense, and as dependable companions and family horses.

Although Super Nice and Super Trader Bar have passed, their genetics and attributes continue to live on.

The CW Special was a sire that we introduced several years ago, he turned out to be an exceptional cross with our ranch raised broodmares. He, like Super and Trader, produced outstanding individuals, with great minds and versatility. He had many futurity champions in halter and western pleasure, as well sired exceptional rope horses and ranch geldings, with no end to athletic ability and cow sense.

Special will be near impossible to replace, and greatly missed.

His genetics will live on in our broodmares and stallions.

McArthurs Geno

A sire that will never be forgotten, he has been an outstanding sire. Producing exceptional ranch horses, consistent and reliable rope horses, show horses, and horses that have touched the hearts of many. His foals were always in demand and a highlight of our sale, so with heavy hearts we bid you a fond Fair well "Bud".
